**Form for the application to issue a
European Technical Assessment (ETA)
under article 26 of regulation (EU) No. 305/2011**

9. Declaration of the applicant

Hereby declare that (please mark with cross)

I have not filed an application for a European Technical Assessment for the construction product with any other Technical Assessment Body

I have filed an application with:

That request was rejected/withdrawn, because:

Furthermore, I declare that I

- I will bear the costs of issuing the European Technical Assessment according to the contract with LUXIB
- will provide the necessary support in the process of issuing the European Technical Assessment
- will ensure that the manufacturing plant(s) can be visited at any time during the operating times by representatives of LUXIB and
- agree that the European Organisation for Technical Assessment (EOTA) and the European Commission shall be informed about the content of this application
- I further declare that I am prepared to inform LUXIB without delay of the first making available of the product on the market with CE marking.
